Statement from Tim Sheehy, Chairman of the Board of Directors of the Southeast Wisconsin Professional Baseball Park District

The Southeast Wisconsin Professional Baseball Park District and Milwaukee Brewers have a strong public-private partnership that has served to support Wisconsin as home to one of Major League Baseball's great franchises. We look forward to working with the Milwaukee Brewers to achieve the mutual goal of a long-term lease extension. We applaud the Governor for this forward-looking investment to keep professional baseball in Wisconsin for the next generation, along with its economic impact. We look forward to working with policymakers on both sides of the aisle, and the Brewers, to ensure the District can do that.
