#	Question	Answer
1	Is $10 million in excess or umbrella liability insurance required for MEPT consultants?	**Appendix A** of the RFP illustrates the standard insurance coverage requested. If your company does not meet these standards, provide sample COI that illustrates standard coverage for your company.
2	How are the diversity requirements expected to be answered?	For the purposes of this RFQ, please provide a narrative of how your company may achieve the District's goals on projects.
